# Visonic-GO Mobile App Setup.

1. Download Visonic-Go from your App store.

**2. Open the app to the login page and enter secvu.com in the hostname field.**

**3. Check the <u>Terms of Use</u> box and tap 'Add New'**

4. Enter a panel name (e.g. Home, Office, Shop) and your Panel ID. Tap 'Save'

The unique 6 digit Panel ID is printed on a label on the rear of the panel.
It can also be accessed in the installer menu under: Serial Number >> Panel ID

**5. Enter your 4 digit user code to log in to your system (the code used to arm and disarm the system) and tap OK**

Wait 10 - 40 seconds for the app to connect to your system.

Visonic-GO Mobile App Setup.

6. Set your preferred notifications.

Tap the menu ☰ **icon (top left)**

Tap 'Panel Settings' and select 'Notifications'

7. Here you can select the events you wish to receive a notification for.
